What we’ve accomplished so far...

1) OUTREACH
- the ICMHA has grown to more than 350 members across the state including program administrators, service providers, consumers, caregivers, and others who are focused on improving the lives of older Iowans with mental illnesses.

2) EDUCATION AND TRAINING
- ICMHA has hosted six state-wide continuing education events attended by more than 600 service providers;
- ICMHA maintains a comprehensive website featuring public information and provider education materials;
- ICMHA provides feature stories to local radio, television and newspapers, & presents at local forums & professional meetings.

3) PROGRAM DEVELOPMENT AND TECHNICAL ASSISTANCE
- assist in the implementation of 8 models of collaborative care;
- provide technical assistance to nursing facilities, hospitals and community-based providers across Iowa;
- support Medicaid behavioral healthcare for older adults;

4) ALLIANCES
- the ICMHA is aligned with several organizations including Association of Area Agencies on Aging, MH/MR/DD/BI Commission, Iowa Psychiatric Society, Iowa CareGivers Assn.
